The Fund’s third quarter results will be released after the close of market trading on Wednesday, November 8, 2006.

#### **About Macquarie Power & Infrastructure Income Fund**

MPT invests in infrastructure assets with an emphasis on power infrastructure. MPT’s strategy is to acquire and actively manage a high-quality portfolio of long-life infrastructure assets to improve their financial performance and provide growing and sustainable distributions to unitholders for the long term. MPT’s infrastructure portfolio includes Cardinal, a 156MW gas-fired cogeneration power station in Ontario, and a 45% interest in Leisureworld, a leading long-term care provider in Ontario with over 30 years operating experience. MPT is managed by a wholly owned subsidiary of Macquarie Bank Limited and a member of the Macquarie group. More information can be found at MPT’s website, [www.macquarie.com/mpt](http://www.macquarie.com/mpt).
